Policies

Deposits-

A 50% deposit is required for all appointment, this comes off the total cost of your treatment at the time of your appointment.

Cancellations-

I totally understand life happens and you can't always make your appointment. With as much notice as possible it gives me the opportunity to fill the appointment space.

With cancellations 48hours+ the deposit can be moved across, providing it's within the 48hour period.

Cancellations with less than 24 hours notice will result in your deposit being non refundable.

In certain circumstances this can be moved across to a rescheduled appointments.

No Shows-

I have a cancellation list with clients waiting for appointments, without letting me know you can not attend, I am unable to fill the appointment space .

Client's that do not attend their appointments will have a charged on their account and no further appointments can be made until this has been paid.

Late-

I fill my day with back to back appointments to get as many of you in as possible.

I ask that you please let me know if you are running late as I can only allow up to 10 minutes to run over as this does have an impact on the rest off clients. If you are any longer than this and iI will have to reschedule your appointment.
